CASE NO. 2002-TLC-00004

In the Matter of

Servicios Agricolas Mexicanos,
Employer.

Order of Dismissal due to Withdrawal of Hearing Request

Counsel for Servicios Agricolas Mexicanos, the Employer, has filed an agreement dated August 5, 2002 with the Office of the Solicitor of Labor, Division of Employment and Training, in which the Employer agreed, among other things, to withdraw its request for a *de novo* hearing on its Application for Alien Employment Certification. Based upon that withdrawal, there is no longer any dispute and no need for a hearing. This appeal is dismissed. The dismissal is the final decision of the Secretary of Labor in this matter. 20 C.F.R. § 655.112 (b)(2).
